I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

How AT&T customers can protect themselves in the latest data breach

By Ramishah Maruf, CNN

Published 4:54 PM EDT, Fri July 12, 2024

After a massive data breach, AT&T says it's taking steps to protect its customers' information.

Per CNN, "New YorkCNN —

If you were an AT&T cellphone customer in 2022, your call data was possibly breached to bad actors.

AT&T said Wednesday it was notified of a "very small number" of records that were possibly breached. The company said it was notified of a breach that used its network between May 1, 2022, and October 31, 2022.

The records of a "very small number" of customers from January 2, 2023, were also breached, AT&T said. The company said it was notified of an "illegal download" on a third-party cloud platform that it learned about in April — just as AT&T was grappling with an ongoing data breach.

Overview

Brenda Cecelia Duenas Hill: Brenda is a Sector Executive in the Technology, Media, and Telecom (TMT) practice at KPMG. I have known Brenda Cecelia Duenas Hill off-and-on for 24 years and was

her roommate in Gainesville, Florida.

Brenda and I, Charisse S. Moore, shared important life events together, to include: being a maid of honor at Brenda's wedding to Michael Hill, and Brenda being a maid of honor at my wedding to Brian A. Temple, MD.

Below is an overview of my prior relationship with Brenda Cecelia Duenas Hill:

- **Brenda Cecelia Duenas Hill lives at 290 Weaver Street, Larchmont, New York and married Michael Hill on January 25, 2014**
- Brenda is Peruvian, Argentina and Italian.
- Birthdate: November 21, 1980

2000 - 2002 | University of Florida, Gainesville, Florida

- I, Charisse S. Moore was Brenda Cecelia Duenas Hill's college roommate.
- Brenda Cecelia Duenas Hill **did not** go to the University of Florida. I, Charisse S. Moore went to the University of Florida.
- In 2002, Brenda's family moved Brenda out of our apartment in the middle of the night, while Brenda went to act as a Camp Counselor at a sleep away camp in Michigan. I, Charisse S. Moore never talked to Brenda about this experience.
 - I, Charisse S. Moore was responsible for the reminder of the rent for Brenda and myself. I had multiple conversations with Brenda in order to get the money back for the rent. Brenda was extremely resistant to pay me back the money for unknown reasons.
- **2001 / 2002 | Brenda was focused on Argentina Monetary Devaluation crisis**
 - Brenda had to rush back to Miami, Florida for unknown reasons related to the Argentina Monetary devaluation
- **2005 | MTV VMAs**
 - I, Charisse S. Moore and Brenda Cecelia Duenas Hill both worked at the MTV VMAs. I, Charisse S. Moore worked in credentialing and Brenda Cecelia Duenas Hill worked in Production.
- **2007 / 2008 | Brenda moved to New York, New York**
 - Brenda moved to New York to pursue jobs in advertising. I believe that Brenda moved without have a job lined up, which is not a big deal as at the time, temp jobs were easily available.
- **2008 - 2009 | Charisse moved to New York, New York**
 - I decided to move to New York, New York to pursue a Project Management career. I ended up getting a long-term temp job at Enfatico, a WPP company in the same career path as Brenda. Brenda was far more experienced than me, so there was no competition.
 - Brenda and I would hang out, we are like and not alike at the same time. Brenda has a big family and a larger support system being the baby. I, Charisse S. Moore, am the oldest and always had to be super responsible.

- I met Brian A. Temple, MD while hanging out with our mutual friend Olga.
- Brenda would later meet Michael Hill, possibly at a house party or on a date.
- **2009 | Great Recession and layoffs at Enfatico**
 - I lost my job at Enfatico and determine to move to where my then boyfriend Brian A. Temple, MD lived, in Jackson, Mississippi completing his residency.
- **2012 | Wedding Planning in New York, New York**
 - I flew to New York to try on wedding dresses. I was obsessed with the show Say Yes to the Dress.
 - Brenda made an appointment for me and a couple of friends to go to Kleinfeld's and Vera Wang.
 - At Vera Wang, I tried on the Eleanor dress, from Sex and The City. I loved the dress, and then I tried on the Ethel dress and fell in love with the dress. This is the same exact dress that Khloé Kardashian wore.
- **August 2012 | Transitioned from Mississippi to Texas**
 - Brian and I transitioned from Jackson, Mississippi to Lubbock, Texas as he accepted his first position as an Infectious Disease Doctor at Texas Tech University.
- **March 2013 | Final Wedding Planning in New York, New York**
 - I flew from Lubbock, Texas for a Bridal Shower hosted by Brenda. We went to Vera Wang for my final fitting and I believe that Brenda tried on wedding dresses at Vera Wang too.
 - Brenda tried on the same Eleanor dress, before deciding on a ballroom gown that reminded her of Charlotte from Sex and The City. We loved the show in college.
 - Brenda was hyper focused on her wedding and gave me a card to be her maid of honor the following year. I remember Brenda Cecelia Duenas Hill wanting to have her wedding at a plantation in North or South Carolina, like the Biltmore in North Carolina.
 - Brenda threw a small bridal shower for a couple of friends (less than 10 people). The next day we went out for brunch at The Plaza.
- **April 2013 | Wedding in Miami, Florida**
 - Brian and I got married in a church and then had the wedding reception at the Epic Hotel in Downtown Miami, Florida.
 - Guerdy Abraia, who is now on the Real Housewives of Miami, was our wedding coordinator and florist. Guerdy is amazing!
 - Brenda Cecelia Duenas and Kristine Beaudoin were maids and/or matrons of honor at the wedding on April 28, 2013.
- **January 2014 | Wedding in Boca Raton, Florida**
 - Brian A. Temple, MD got into an argument with Charisse S. Moore at Brenda Cecelia Hill's rehearsal dinner.
 - Brenda Cecelia Duenas and Michael Hill got married at the Boca Raton Hotel and Resort.

In Retrospect

- Brenda and Brian both seemed competitive about the weddings. I, Charisse S. Moore was just happy that our wedding day was over on the day of the wedding, April 28, 2013.

- **OF INTEREST:** The Rolls Royce driver accidentally took the wrong turn and Leslie-Anne and I were a little late to the wedding. I thought that as a sign.
- Brenda and I, Charisse S. Moore, did not speak after her wedding on January 25, 2014, as Brenda was consumed with material things and our lives were going in different directions.
- Brenda Cecelia Duenas Hill talked of *"first world problems"*.
- **NOTE:** A defining comment between Brenda and I, which occurred after her wedding and during my divorce process was, *"at least you had a big wedding."*
- I will always remember watching *Love Wedding* with Brenda and Michael and wondering if this was a sign from Brenda to me about my upcoming wedding.

December 2014 | Big Four - KPMG and Deloitte Consulting, LLP

- Brenda Cecelia Duenas Hill accepted a job at KPMG earlier in the year, as an Assistant Director (I believe). After my divorce finalized, I graduated with my Master of Science in Human Resource Management degree from Florida International University, passed the HRCI Professional in Human Resources (PHR) and accepted a new job at Deloitte Consulting, LLP.
- I met Brenda, Michael and Brenda's brother Richard in Hollywood Beach and shared the good news with Brenda, as I had to restart my life - fullstop hardreset (FSHR).
- I distinctly remember the look of disgust and envy on Brenda's face and Brenda saying "now I can never work at Deloitte."
- I decided to step back from our friendship. I mentioned to Ingrid Jones some of the challenges with my friendship with Brenda, one-sided versus the give and take of relationships.

Events Leading to the Death of My Brother, Winston Alexander Moore, Jr.

- **July 20, 2016 | Chick-Fil-A Restaurant Conversation**
 - I went to Chick-Fil-A for lunch and while standing in line there were two people in front of me who were having a conversation. They were talking about a siblings one with a developmental delayed disability and the other than was "normal" neurotypical. They said that the neurotypical sibling died, leaving the developmental delayed sibling living. This was always my worst fear for Winston Jr. and I, I always sacrificed my life so that Winston Jr. could have a better life - money, time, relationships and living location. Orlando was the perfect distance to come back and help him if needed. Little did I know what would happen to Winston Jr. days later.
 - This conversation always stuck with me and I discussed it with *Leslie-Anne Haffenden-Moore*.
 - **NOTE:** See Chick-Fil-A Football picture from May 4-6, 2016 trip to The Saucier's house
- **July 24, 2016 | *Winston Alexander Moore, Jr.* was hit by a car at 9:30pm in Fort Lauderdale, FL.**
 - **OF INTEREST:** I, *Winston Alexander Moore, Jr.*, lived in the Sanford, Florida (Orlando, Florida) area at the time.
- **July 25, 2016 | See Text Message below from Leslie-Anne Haffenden-Moore at 2:05 AM**
 - Charisse - "Have the doctors given you an update on Winston (Alexander)?"
 - Leslie-Anne Haffenden-Moore - "With Dr right now. Broken ribs on left side (back)

6,7,8,9, so that's why the tiny intubated him. BP appears to be good, but even though he is out he is still agitated making the machine go off. No bleeding on the brain. Lacerations on his face with stitched and blood from where his skin was stripped from his face. He is on heavy meds to help the machine breathe for him. They have just moved him to ICU. ICU 21 is his room#. I'll know more in the morning when the Trauma DR sees him."

- **July 25, 2016** | Brenda Cecelia Duenas Hill has a baby
 - My nephew, Alexander Hill is born.
- **August 11, 2016** - My uncle Tony (Tony Hill) posted about Winston Jr. passing on Facebook and Brenda Hill called me at 7:30am to say that she was sorry to hear about Winston Jr.'s passing. Brenda then quickly turned the conversation to taking the BRCA test for breast cancer and potentially having breast cancer in the future.
 - Brenda sent a beautiful floral arrangement for Winston Jr.'s funeral.
- **November 2016** | **Duenas Family Party**
 - Attended Duenas family party and Brenda's dad Victor Duenas told me that he has cancer.
- **December 2016** | **Brenda's Dad Victor passes away**
 - Attended the funeral of Victor Duenas and spoke with Michael Hill's father and laughed when Michael's father shared a joke to take the edge off the funeral.
- **August 2017** | **Brenda randomly reaches out to see if I wanted to go to Buenos, Argentina**
 - I was working on a project at Deloitte Consulting, LLP or it may have been right before I went to Oslo, Norway and Nice, France for vacation in 2017.
 - I remember that whenever Brenda would head down to Buenos Aires, that she would buy a laptop and leave it in Argentina.
- **Unknown Timeline** | **Brenda travels to Buenos Argentina**
 - There was another time that Brenda was working in Argentina and I, Charisse S. Moore, asked Brenda if she got approval from KPMG to work in Argentina. Working in Global Payroll, working in the right jurisdiction is important especially for Business Travelers. I think that Brenda had to head back to New York shortly after that conversation, as she originally planned to be in Argentina for a month.
 - The intention was not to hurt Brenda Cecelia Duenas Hill, but to protect Brenda Cecelia Duenas Hill and KPMG.

October 19, 2019 | Ernst & Young, LLP Social Media Incident

- In Fall 2019, Brenda Hill texted me, Brenda Hill, about a serious public relations issue at Ernst & Young, LLP (EY), as a reminder of my experience at EY in May 2018. Brenda Cecelia Duenas Hill may also be involved in this crisis, Brenda Cecelia Duenas Hill copies things from other people.
- "The Huffington Post has a training at Ernst and Young called "Power-Presence-Purpose," or PPP. They spoke specifically to a woman who attended an event

in June 2018 alongside around 30 other women and passed along a 55-page presentation full of absolutely incredible advice and spoke about the accompanying day and a half of programming. "The training was billed to participants as advice on how to be successful at EY," HuffPo reported. So, what did they learn?"

November 2021 | Brenda seeks to rekindle the friendship

- **November 2021** - Brenda reached out to me (out of nowhere) and shared that she had Stage 3 Breast Cancer, I cried and did not understand why she did not reach out to me earlier. I stated that I would have dropped everything to help Brenda and Michael out with the boys - James, Alexander and William.
- During this call, Brenda stated that she does not talk to any of her friends from Miami - Linda, Suzie Riccardi, Rosemary Rosas, Stephanie Moyers, Maria and Annie Kozikowski.
- I was shocked, as they are some of her strongest friendships that I knew of off the top of my head.
- "Remember, you can't make new old friends." Brenda Cecelia Duenas Hill.

2021 - 2022 | While a resident at the Elevate West Village apartment complex in Smyrna, Georgia, I believe that there were HIDDEN CAMERAS installed in my apartment and the following activities took place:

- **Week of Monday, May 9, 2022:** An initial swarming event took place at the Elevate West Village apartments in Smyrna, Georgia, after a therapy session with Ingrid Jones in which I mentioned the names *[redacted]* and *[redacted]*.
- **May 10, 2022:** Took pictures of the path that I took to my apartment and sent them to Ingrid Jones as I was afraid due to initial swarming events.
- **Thursday, May 12, 2022** - I saw one (1) young black man walking in the opposite direction of my morning walk with Jax (7:05am - 7:25am):
 - Race: Black male, dark skinned
 - Height: Tall (about 6'0)
 - Build: Skinny, 150-165 lbs.
 - Age: 20-27 years old

- Clothes: White baseball hat, white Ralph Lauren Bear long sleeve hoodie, white shorts that hit at the knee, white sneakers, backside of underwear had some yellow in it
- As we walked in opposite directions, when he approached my direction, I crossed into the median grass area and continued to walk my dog. After the individual walked past me, I returned to my original path and smelled weed from the man's walking path.
 - **OF SIGNIFICANT IMPORTANCE:**
 - He had [REDACTED] in his hand, he looked in the [REDACTED] Bobbie Sharma clothing store with it. As I made the loop around the buildings (beginning at Five Guys to McCray's Tavern to the Alexander Dentist office and back to Elevate West Village), our paths crossed on opposite sides of the street, he said 'Hi', pseudo waved and pointed the black device my direction.
- Most people walking around this area between 7:05 – 7:25am are either walking a dog, are a student walking to the bus stop, or are exercising / heading to Orange Theory. This individual was an outlier, as he had no sense of purpose / sense of direction while walking. I continued to watch him as he passed the Alexander Dentist office and approached the downward slope of Pine Street. After I could no longer see him, I walked back to my apartment building and noticed a Gold 4-door Honda with tinted windows slowly approaching. I could not clearly see who was in the vehicle, however, the individual watched as I walked into the building.
- **Thursday, May 12, 2022:** Had a session with Ingrid Jones of Change to Grow, Coral Springs, Florida. When I tried telling Ingrid Jones what was going on, Ingrid Jones stated that she did not understand what was happening.
- **Saturday, May 14, 2022:** The [REDACTED] occurred in Buffalo, New York. This mass shooting occurred after my personal therapy session with [REDACTED] which took place on Thursday, May 12, 2022.
 - **OF HIGH INTEREST:**
 - My favorite and [REDACTED] favorite NFL team is the [REDACTED].
 - My Mother, [REDACTED] was born in Buffalo, New York.
- **Friday, May 20, 2022 - Sunday, May 22, 2022** | I originally planned to visit Brenda Cecelia Duenas Hill on the weekend of Friday, May 20, 2022 through Sunday, May 22, 2024 but did not visit Brenda Cecelia Duenas Hill due to the swarming event and temporary move to Charlotte, North Carolina.
- **Sunday, May 22, 2022:** The [REDACTED] [6][7][8] was a [REDACTED] that occurred on May 24, 2022, at [REDACTED] in [REDACTED], United States, when 18-year-old Salvador Ramos, [9][10] a former student at the school, fatally shot 19 students and two teachers, while 17 others were injured but survived. After shooting and severely wounding his grandmother at their home earlier that day, [11] Ramos drove to and entered the school, remaining for more than an hour in the classrooms where he shot his victims before members of the [REDACTED]

fatally shot him, after bypassing numerous local and state officers who had been in the school's hallways for over an hour.

November 4-7, 2022 | Trip to The Hills

House in Larchmont, New York

- On the way to the house, I talked about the fact that Brenda's marriage to Serg (Sergio) Savoury and that the fact, that Serg (Sergio) Savoury may be cheating on Brenda. Brenda was very due to her controlling ways.
- On the way back from the Westbury Commons Outlets, Brenda started to talk about Directors at KPMG and mentioned inappropriate relationships and I tuned out completely. I do not remember the names or individuals involved however, it was not appropriate.

Michael Hill: Michael is the **Head of Portfolio Trading at Santander**, focused on Latin America (LATAM), including Argentina, Brazil, Chile, and other countries within LATAM. I have known Michael Hill, Brenda Cecelia Duenas Hill's husband for twelve (12) years. My relationship with Michael is an informal distanced relationship, due to Michael and Brenda living in New York, while I lived in the U.S. Southern States, such as Mississippi, Texas, Florida, Georgia, and North Carolina.

- Michael is the **Head of Portfolio Trading at Santander**, focused on Latin America (LATAM), including Argentina, Brazil, Chile, and other countries within LATAM
- While visiting Michael and Brenda Duenas Hill's home in early November 2022, Michael asked where I was working, and when I stated Payroll at Stripe, Inc., he looked a bit shocked. He asked if I was working in HR, and I clarified that I worked in Global Payroll at Stripe. That was the scope of our conversation (proper pleasantries - Hello! How are you? How is your Father doing? How is work at Santander?).
- I was talking to Brenda and Michael, and Michael asked me if my family was a member of the **United Kingdom**, in the United Kingdom. Michael made a specific to ask that question and then there was a hard stop. Michael may have just walked away from Brenda and I to help the boys.

Charlotte, North Carolina

- **November 10, 2022** - Brenda Cecelia Duenas Hill sent me a text message that discussed the FBI. I was stunned and did not know how to reply. I attempted to state that I was watching the FBI shows - **Law & Order: Organized Crime**. Brenda and I talked on the phone, while I watched the Law & Order show - **Organized Crime** for about an hour.
- **November 11, 2022** - Two Hispanic men exited my neighbor's apartment at Lincoln at Dilworth. I instantly knew that something was not right. These individuals then followed me

down the elevator and studied me.

- **November 12, 2022** - I used a new release called Lockdown Mode. I decided to use Lockdown Mode to protect myself from RYANNE DUFFIE SAUCIER, as a swarming incident happened at my former apartment, Elevate West Village.

- **December 7, 2022** | I received my OliverGal AdoreMe Geo artwork with the frame cracked upon opening the box. See photos
 - **OF INTEREST:** Oliver Gal | AdoreMe Geo order placed on Cyber Monday, November 28, 2022 (<https://www.facebook.com/olivergalartwork/>)
 - **OF INTEREST:** In November 2021, I shared with RYANNE DUFFIE SAUCIER that I was going to or bought the OliverGal Fashion Galore Diamond Dust artwork (<https://www.facebook.com/olivergalartwork/>)
- **December 18, 2022:** After walking around the exterior perimeter of the Lincoln at Dilworth complex, I walked toward the leasing office and saw a Charlotte-Mecklenburg Police Department vehicle (Ford Explorer) parked outside of the leasing office. When I walked closer to the officer's vehicle, I made eye contact with the dark-skinned Black officer male and he promptly hit the gas and took off. I believe that this officer, is the same officer (Officer Jackson) that took two (2) hours to arrive when I called the Charlotte-Mecklenburg Police Department from Lindsey Dewhurst, Lincoln at Dilworth Property Manager's cell phone.
 - Constant surveillance by the following apartments - 579, 477, 485, 432, 433, 499, 450, 451, potentially 476
 - **Apartment 579:** Apartment above my apartment, responsible for laser pointers in my apartment
 - **Apartment 477:** Turned on the dryer every time that my Apple phone alarm clock when off to alert the apartment either above or below that (577 and 377) that I was wake and getting ready to walk the dog.
 - Of Latin descent from Mexico, they (man and woman) love Lululemon.
 - **Apartment 485:** Placed bright orange sneakers that were placed outside whenever I left the apartment to walk Jax.
 - **Apartment 483:** Sat empty for months, with no one moving into the apartment.
 - **Apartment 433:** Was a lookout whenever I took the elevator down to walk Jax and/or to get my car from the vehicle.
 - **OF INTEREST:** This individual may have also broken into my apartment, as there were highly coordinated efforts each time that I left my apartment for an extensive period of time.
 - **Apartment 432:** Was a lookout whenever I took the elevator down to walk Jax and/or to get my car from the vehicle.
 - **Apartment 499:** Was a lookout whenever I came up the elevator from the

Leasing office after walking Jax at night and going down to walk Jax in the afternoon.

- **Apartment 450:** Was a lookout whenever I took the elevator down to walk Jax. This is of particular interest as it sometimes lead to a closed garage door in the loading dock.
 - Of Interest: There were times when there were 20+ people waiting in the loading dock for me to come down. I held my card - The Armor of God, as I was afraid.
- **Apartment 451:** Was a lookout whenever I took the elevator down to walk Jax. This is of particular interest as it sometimes lead to a closed garage door in the loading dock.
 - Of Interest: There were times when there were 20+ people waiting in the loading dock for me to come down. I held my card - The Armor of God, as I was afraid.

- **December 19, 2022:** Brenda Cecelia Duenas Hill invited me to her house in Larchmont, New York for the holidays (Christmas and New Years) and her sons birthdays (James and William). I declined the invitation to go to Brenda's house, as I wanted to be alone after being swarmed / attacked in Smyrna, Georgia by Ryanne Duffie Saucier, Dan Saucier and unknown co-conspirators.
- **December 21, 2022:** Was a young woman walking backwards into the wind across the street from the apartment.
- **December 25, 2022:** I had an hour long conversation with Felicia Gilgeous and talked about the weather, watching tv and reading over an IRS Publication.

Military Tactical Hold within the Lincoln at Dilworth apartment complex:

For months and months (December 21, 2022 through March 31, 2023), everytime that I took Jax out for a walk, people lined their cars up in the driveway at Lincoln at Dilworth, stood in the garage at Lincoln at Dilworth, lined up on the walking path for Jax and/or followed down the elevator. There was an unknown social media frenzy to me.

The elevator episodes were of particular interest as, each time that I pushed the button for the elevator, the elevator went up to the fifth (5th) floor prior to coming to the fourth (4th) floor. I sensed that the men that were in the elevator were following me and/or watched me take a shower and watched the video of me showering.

- **December 26, 2022:** I lived in Apartment 479 and I noticed that the patio door of Apt 487 (located directly across from me) was wide open.
- **December 26, 2022:** The water mains at Lincoln at Dilworth broke due to the Hard Freeze that occurred, the City of Charlotte, Fire Department was called to the apartment complex and I stood outside with other residents for hours.
 - **OF INTEREST:** There was a Black guy that made constant eye contact with me as we

(all residents at the complex during the holidays) stood outside. The Black gentleman and I walked by each other in the mailroom and two or three (2-3) times. This Black gentleman did not pose a threat, he had the "opportunity to inflict physical violence" and did not take advantage of the "opportunity to inflict physical violence". I think that he was in Apartment 483 in early January, but I never saw him again after December 26, 2022.

- **December 27, 2022:** There were four (4) vehicles that surrounded the exit of Lincoln at Dilworth, when I went to walk Jax.
 - **NOTE:** A resident, white woman with blonde hair and a little Poodle stared at me in the elevator and did not say a word.
- **December 28, 2022: Ulta Beauty at 7314 Waverly Walk Ave, Charlotte, NC 28277**
 - Doxxed while paying for Dolce & Gabbana - Light Blue. The cashier asked for my phone number and screamed my phone number across the entire store.
 - Compared address against [redacted] that I shopped at as well
 - **Ulta Beauty Headquarters - 1000 Remington Blvd #120, Bolingbrook, IL 60440**
- **December 28, 2022:** Watched Oprah Winfrey's Super Soul podcast - Intention

VEHICLES OF INTEREST:

- **Late December 2022:** Black Ferrari (this vehicle was in the Lincoln at Dilworth parking garage in December 2022)
- **January 13, 2023: Received Notice from Lincoln at Dilworth Property Management**
 - "We have noticed there is a significant number of vehicles parked without a parking sticker or a temporary pass. Parking Permits are required if you are parked behind the gates.
 - Any vehicle parked in Lincoln at Dilworth gated parking lot **THAT DOES NOT PROPERLY DISPLAY** a parking sticker or temporary tag **WILL BE BOOTED** or **TOWED** with no further notice. A properly displayed Parking Permit means that the Permit (sticker) is either attached to the windshield.
 - **MODIFICATIONS OF PERMITS ARE NOT ACCEPTABLE.** Any vehicle that does not properly display a parking permit will be booted or towed. Parking permits are not valid if parked on P2; parking on P2 with a permit will result in being booted or towed."
- **January 15, 2023:** Contacted the Charlotte-Mecklenburg Police Department to perform a search of my apartment due to possible hidden cameras located within the fire alarms in the apartment. There was a noted uptick of visitors to the Lincoln at Dilworth apartment complex at multiple points of the days to coincide with my walks with Jax (7:30am, 12:30pm, 4:30pm, 7:30pm and sometimes 9:30pm)
- **January 25, 2023 -** I met Lyna Alfaro for lunch at [redacted] | 9818 Gilead Road, Huntersville, NC, 28078
 - *Question of the afternoon by Lyna Alfaro "Are you sure you want to eat that?"*
 - After lunch, I went with Lyna Alfaro to her house and saw her husband Christian Alfaro (US Army Veteran) and their children. We talked briefly about life stuff, moving to

California and my thoughts on how expensive California is as a single person but I still dream of California. We also joked about like in South Florida, the need to keep up and "needing to be skinny" but that was for a point in time, like our early 20s. I talked about my Dermatologist and how he stated that I needed to lose weight during a visit to his office.

- **NOTE: Dr. Attica Chang**, Dermatologist of [REDACTED] was and is an excellent Dermatologist. He cared enough to tell me to stay in shape - lose weight, as I was under his care for health issues. Dr. Attica Chang is the same doctor that held my hands and looked me directly in the eyes, as I cried while having a medical procedure performed, to treat [REDACTED].
- **Late January 2023:** I took my Mac to the Apple store (in Charlotte South Park) to get wiped and protected and purchased a Google Drive external hard drive to copy the files from the laptop for backup
- **January 31, 2023: Lincoln at Dilworth Property Management Emailed Notice to Residents**
 - "Good Evening Neighbors! We hope you are doing well! As the mailroom door is consistently being broken, and it is now beyond repair of our maintenance staff, the one door will be closed off until our third party vendor can replace the door entirely. There are still two doors for entry and exit. Deliveries can come through the leasing office during office hours. We appreciate your understanding as we find a permanent solution to the door being intentionally broken."
- **January 2023 - February 2023:** There were several loud parties in Apartment 579 above me in which I strongly believe that a large portion of stalking was taking place, in addition to the apartments identified above.
- **Banfield Pet Hospital appointments at Charlotte SouthPark**
 - **February 10, 2023:** The veterinarian pulled out a lot of Jax's teeth in the top part of his mouth. Jax must now eat soft food, instead of the Blue Buffalo that he traditionally ate
 - **OF INTEREST:** Instead of the traditional call from the Veterinarian's office, the follow-up call about the surgery I received an email instead which was strange, as this was the first time that person wanted to help out
- **February 14, 2023:** Noticed a Charlotte-Mecklenburg Police Department SUV Ford Explorer vehicle parked in the garage in a parking space against a back wall.
 - **OF INTEREST:** This is one of few apartment complex where there was not an identifiable Police vehicle at the residence. Similar to Elevate at West Village, there was not an identifiable Police vehicle at the residence.
- **February 22, 2023:** Followed by Grey Jeep Wrangler with dark tinted windows to church on Ash Wednesday at St. Gabriel Catholic Church.
 - **Address:** St. Gabriel Catholic Church - 3016 Providence Rd, Charlotte, NC 28211
 - **Of Interest:** This is the day that my ears finally stopped burning and turning red.
- **OF INTEREST:** In the end, there were three groups of individuals, their races were White, Hispanic (to include my neighbors in Apartment 477 and their visitors on November 11, 2022) and Black.
 - **VEHICLES OF INTEREST:**

- The individuals that drove the vehicles below did not pose a threat, they had the “opportunity to inflict physical violence” and did not take advantage of the “opportunity to inflict physical violence”. These individuals consistently parked their vehicles near my silver Honda Accord coupe.
 - Driven by a White man - Red Audi A4, no tint on the windows
 - Driven by a Hispanic man - White Mercedes Benz, 4 door Sedan possible a C class with North Carolina tag - JELLY (?)
- **March 6, 2023 - March 20, 2023:** The stalkers upped the ante and started to use laser pointers through the vents in the Living Room, Bedroom, Bathroom, Office area and additional unknown areas of the apartment. Specifically, unknown individuals shined laser points in my eyes when I woke up from sleeping at 3:00M or 3:30am to wake me up.

KPMG Thought Leadership Product Spotlight

A product spotlight is a great way to direct customers' attention to new products, sales, and seasonal must-haves. That's why featuring selected items in headers on the front pages of ecommerce websites is such a common practice for many brands, including furniture businesses.

- KPMG Drive Innovation service line ([https://www.kpmg.com/au/issuesandinsights/articlespublications/drive-innovation.aspx](#))
 - **Deepfakes rewrite the cybersecurity playbook** ([https://www.kpmg.com/au/issuesandinsights/articlespublications/deepfakes-rewrite-the-cybersecurity-playbook.aspx](#))
 - Factor #1: Rapid advances in GenAI
 - Factor #2: Rise of remote work
 - Factor #3: Human fallibility
 - **5G needs real time security in a data converged environment** ([https://www.kpmg.com/au/issuesandinsights/articlespublications/5g-needs-real-time-security-in-a-data-converged-environment.aspx](#))
 - “The issue of security and data privacy is not new, but magnified with 5G IoT and platforms.

- Not only are the risks associated with data being shared and the privacy and security risks at a personal household level but there are increasing risks associated with Governments and businesses in protecting their critical infrastructure. If, a 5G network stopped, given the magnitude of its application in multiple industries, society and critical infrastructure is a risk: healthcare, manufacturing and distribution, emergency services, hospitals, cars and industry to name a few. Lives could be lost and our dependency on critical devices could provide risks to sectors, such as health and banking etc.
- There is a fine line between enabling new data models and protecting privacy of customers, KPMG believes that there is a need to enable trust within new data models, and the focus on areas such as ethics in AI and data will become of prime importance."
- Application of the "cash-out" process, as noted on the show Vice Media show Black Market by Michael K. Williams - <https://www.vice.com/en/article/2023/07/13/black-market-the-art-of-the-cash-out/>, which may be incorporated into the following piece of KPMG Thought Leadership - (<https://www.kpmg.com/au/issuesandinsights/articlespublications/2023/07/13/black-market-the-art-of-the-cash-out/>)
 - "While the first application is typically rejected, this request creates a credit profile associated with the synthetic identity, legitimizing it from the perspective of other institutions. Repeated applications eventually lead to success for the fraudster, allowing them to secure lines of credit that they never intend to pay back.
 - Some immediately cash out on this opportunity, but oftentimes, there's a long play in which the fraudster will use the account responsibly to slowly increase their credit limit. In time, they'll enact a "bust-out" and proceed to max out the line of credit, abandoning the identity and leaving creditors with the responsibility of writing off the loss. This charge-off, on average, amounts to \$15,000.4"

Dan,

I got your voicemail from Sunday, April 17, 2022, as well as your and RYANNE's email from the same day. I am confused as to why you continue to reach out, as previously stated on Thursday, February 17, 2022, some unexpected things have popped up, I am and will continue to spend a lot of time devoted to these areas and may not be able to hang out as much. I will reach out to you all when the time is right.

You've expressed that Elias feels hurt. I am sorry that Elias feels hurt. My intention was never to hurt Elias. A friendship gives space for each individual to prioritize their responsibilities, goals, needs and wants. If an individual is labeled as selfish for prioritizing their responsibilities, goals, needs and wants in a friendship, that is not a friendship – that is a form of control.

I have been a good friend to both you and RYANNE and have always used kind words towards you both. In your voicemail, your tone was angry, your words were not kind and you cursed at me.

I do not tolerate someone trying to control me, nor do I tolerate someone cursing at me.

Given the continued boundary crossing(s) – while I have enjoyed the times that were spent together, this friendship no longer works for me.

Do not contact me again, by any means or in any way; this includes RYANNE as well. I wish you both well.

RE: Lease Termination - Apt 479 Lincoln at Dilworth

Dear Lindsey,

This letter serves as notification that I will be vacating the Lincoln at Dilworth property located at 905 Kenilworth Avenue, Charlotte, NC 28204, Apartment 479 on Friday, March 31, 2023. This decision is not taken lightly, due to safety and security concerns it is necessary for me to terminate my lease.

As discussed, during the past two weeks, the following incidents have occurred within my apartment:

- Saturday, March 11th - Noticed green pin-dot laser light against my curtains at multiple points throughout the day
- Wednesday, March 15th - Awaken by a green pin-dot laser light on my face at 3:45 am.
- Thursday, March 16th - During a meeting, noticed red pin-dot laser light against the wall where my desk is step up 4:00 pm - 4:30 pm
- Friday, March 17th - Awaken by a bright camera flash between 3:30 am - 4:00 am
- Saturday, March 18th - Green pin-dot laser light shined on my face at 7:30 am

Note that on Wednesday, March 22nd the apartment above me from 5:30pm - 6:20pm either moved and/or constructed items that were loud and disruptive in nature.

- On Wednesday, March 22nd at 5:56pm I noticed the green pin-dot laser light against my curtains.
- On Thursday, March 23rd at 3:15am I noticed the green pin-dot laser light against my blanket near my face.

Contacted and meet with the Charlotte Mecklenburg Police Department to discuss the situation

- Tuesday, March 21st - Case Number 20230321155300
- Thursday, March 23rd - Case Number 20230323101700

Lease Termination Options were previously provided, at this time I will move forward with Option 3 - Rent Responsible until Re-Lease. Note that my original lease agreement termination date is June 30, 2023.

As I both live and work from home, safety and security are of the utmost importance for me. It is unfortunate that the circumstances noted above have occurred.

If you have any questions or concerns, feel free to contact me at the details listed below.

Best,

Hi Charisse,

Thanks for your patience as I connected with your management. After additional consideration and some discussion about this request, I wanted to let you know that Dave and Alessandro are happy to approve your transfer to the NYC area. We hope this will provide you with the additional support you mentioned is necessary in your initial note. This request will still need to go through the standard internal mobility process, as Jackie mentioned initially to you. Alessandro (cc'd here) will submit the manager form on go/geotransfer once he is back in office next week. Jess Bravo, our Head of Internal Mobility, will be in touch with you on subsequent details and the necessary information she needs from you to complete your move request.

Separately, I understand from the benefits team that your claim for a medical leave of absence is still pending and has not yet been approved. Larkin has attempted to contact you over the last few weeks to request additional information from you to process your claim, and has not heard back from you. Our Benefits team has asked Larkin to grant you a second extension of Monday, June 5th. However, we are unable to grant you an additional extension past that date, so please ensure you respond back to them by Monday with the information they are requesting, so we can ensure the time out you've taken thus far is approved.

Please let me know if you have any questions or would like to chat further regarding your leave of absence claim or mobility request.

Best,

Lea
